Junior Investigator Travel Award Program

*****Call for Travel Award Application*****

INEBRIA 2015

INEBRIA is an international network of researchers, policy makers, practitioners and other stakeholders interested in the potential of brief interventions in health and other settings to reduce the harms produced by alcohol and other drug use. It aims to provide global leadership in the development, evaluation and implementation of evidence-based practice in the area of early identification and brief intervention or hazardous and harmful substance use.

Special travel awards (up to 13) of \$1,250 funded by NIAAA and NIDA will be awarded to qualified junior investigators for attendance at the INEBRIA 2015 annual conference on September 24-25, 2015. Up to 5 additional travel awards from an additional funder of \$1,500 each will be awarded to qualified junior investigators for attendance at both the INEBRIA 2015 conference (September 24-25, 2015) and the Preconference Workshop on *Interprofessional Involvement in Screening and Brief Intervention*, taking place Wednesday, September 23, 2015.
